Websites: www.howkinsandharrison.co.uk; www.estatesgazette.com/propertylink; www.novaloca.com
LOCATION
The property is situated about one mile north of Northampton town centre on one of the main arterial routes out of the town towards the popular local suburb of Kingsthorpe. The site is on the main road, which gives it quick and easy access to the town centre or to routes leading north.

ACCOMMODATION
The property comprises a substantial probably Edwardian part solid brick and slate commercial building with workshop to the rear, formerly a tyre fitting centre, but now vacant and available with the potential for conversion to residential accommodation. There are four floors in all with the commercial element viewed from the rear being over ground and first floors with a large two bedroom flat over the second and third floors. There is a yard at the rear with vehicular access from Knightley Road. Neither the property or any part of the site is listed.

We have measured the building and the approximate GIA are as follows:

**Energy Efficiency Rating**

![Energy Efficiency Rating Chart]

The graph shows the current energy efficiency of your home.

- The higher the rating the lower your fuel bills are likely to be.
- The potential rating shows the effect of undertaking the recommendations on page 3.
- The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).

The EPC rating shown here is based on standard assumptions about occupancy and energy use and may not reflect how energy is consumed by individual occupants.

Non-Domestic Building

71-73 Kingslthorpe Road
NORTHAMPTON
NN2 6HE

Certificate Reference Number:
0520-0338-2389-5027-5006

This certificate shows the energy rating of this building. It indicates the energy efficiency of the building fabric and the heating, ventilation, cooling and lighting systems. The rating is compared to two benchmarks for this type of building: one appropriate for new buildings and one appropriate for existing buildings. There is more advice on how to interpret this information in the guidance document Energy Performance Certificates for the construction, sale and let of non-dwellings available on the Government’s website at www.gov.uk/government/collections/energy-performance-certificates.
