GENERAL INFORMATION

DIRECTIONS TO THE SALE

Papillon Hall Farm is situated on the A4304 midway between Lutterworth and Market Harborough. If travelling from Lutterworth, proceed through the village of Theddingworth and the farm drive can be found on the left-hand side after a mobile home park midway between Theddingworth and Lubenham.

SALE ORDER

The sale will commence at 10.30am with the household & garden items and continue with building materials, agricultural requisites and rural bygones. The sale will then continue with the grassland machinery, trailers, Unimogs, telescopic handlers and finishing with the tractors.

PRE SALE ENQUIRIES

Any pre sale enquiries can be made by contacting Eric Hewes on 07889 400613.

VAT

VAT at the current standard rate is payable on each and every lot in addition to the hammer price, unless otherwise stated at the time of the auction.

VAT ON EXPORT

Under regulations imposed by HM Customs & Excise, the auctioneers must account in a correct manner for VAT on export goods. Therefore customers must pay all the VAT on the purchase price of goods on sale day. On receipt of all relevant export documentation and bills of lading (which must be received in the prescribed time limits), the auctioneers will then refund relevant VAT sums.

REFRESHMENTS

Light hot and cold refreshments will be available during the sale.

SECURITY AND LOADING OF LOTS

The Auctioneers will not be responsible for the security of items left after 5.00pm on the sale day. In order to assist buyers a loading vehicle will be available to help with loading until 6.00pm on the sale day. Please note that the Auctioneers reserve the right to withhold purchases until cheques are cleared.

REMOVAL OF LOTS

All lots must be removed by no later than Monday 3rd September 2018.

ADDITIONAL LOTS

Additional lots from outside vendors will be accepted into the sale, subject to prior approval.

BUYERS' BID NUMBERS

The Auctioneers propose to operate a buyer bid number system. Therefore, purchasers are requested to attend at the sales office prior to the commencement of the sale, so that full details of the intending purchaser's name, address, bankers and other relevant information may be recorded. Failure to obtain a buyer's bid card may result in the Auctioneer refusing to accept your bid. If you have a Permanent Bidding Number please use this number.

SALE NOTES

The sale is on the instructions of Mr Eric Hewes, who is retiring. Eric is the second generation to farm at Papillion Farm since the family took on the farm in 1952. Working initially for his father, Eric specialised in making hay and baling straw for over 40 years.

Eric has sold hay and straw in every Midlands Produce Auction since they began and regularly achieved top prices for fodder, which has been sold to both local customers and those further afield. Eric always delivered his sample bales to the auction with his Unimog, which has assisted with his trading identity.

Eric has been helped over the years by Gary, who initially came to help on the farm for two weeks but ended up staying for 35 years.

Machines marked with * have been purchased from new, stored under cover and extremely well maintained.
