SALE NOTES

The sale is on the instructions of Jean Herod, who is giving up breeding her own stock.

Jean established her herd in 1976 when she bought the farm with her late husband Frederick Rawson-Mackenzie.

Jean has produced top quality suckled calves which have been sold as finished cattle at 24-26 months old. The cows have been fed on a traditional home grown ration based on round bale silage.

All the cows have been running with Limousin Stock Bulls and the sale includes four homebred Beef Shorthorn Bulls (15 months old).

Jean intends to continue farming on a smaller scale by buying in store cattle and finishing them on a home milled ration.
