

SALE REPORT

78th Midshires Produce Auction - Wednesday 6th January 2021

COMPLETE CLEARANCE OF HAY, STRAW AND CLAMPED SILAGE.

STRAW TO £57, HAY TO £58.

A successful sale was once again held outdoors at Onley Equestrian Centre. Again, the showing of samples on the day of the sale proved invaluable to purchasers and vendors alike.

Of the 28 vendors present there were just two who had baled silage that didn't sell, and hay and straw were both £5 per bale dearer than the December sale.

We would like to thank the Livestock Auctioneers Association for the help we received from them to enable us to hold the sale. We were allowed to undertake the sale on the strict understanding that current restrictions, limited numbers of one representative and social distancing were adhered to. This was more than achieved and we would like to also thank all those present for the respect they showed on the day. Even with the sale being held outdoors, the vast majority of attendees chose to wear masks and social distance was maintained at all times.

We look forward to seeing you again at **Onley Equestrian Centre** on **Tuesday 9th February 2021.**

If you would like to enter produce, please call Stuart Long on 07713 651039 or Gilly Wrathall on 07921 511852.

Summary of Prices
