

SALE REPORT

79th Midshires Produce Auction – Tuesday 9th February 2021

DEMAND CONTINUES TO INCREASE WHILST WINTER WEATHER PREVAILS.

With Stuart unable to attend the sale following his knee replacement, Mike Carter stepped in to sell the fodder on a bright but cold day at Onley Equestrian Centre.

Howkins & Harrison continue to sell large quantities of clamped silage by organising haulage for one load or up to 20 loads at very competitive prices during government lockdown. The speed of loading is equally important as the distance travelling to move the silage.

Once again, all those present at the sale complied with all COVID restrictions, wearing masks and maintaining a social distance at all time.

We look forward to seeing you again at **Onley Equestrian Centre** on **Tuesday 9th March 2021**. If you would like to enter produce, please call Stuart Long on 07713 651039 or Gilly Wrathall on 07921 511852.
